COMMISSIONER'S FOREWORD

Being well turned out is for most people a matter of personal pride. For a police officer it is more than that.

How we appear is a measure of our status, cohesion and discipline. It is symbolic of the authority we hold, of the respect we seek and of the attributes we can call upon to uphold the law.

Worn well, our uniform serves caution to troublemakers and encourages those in need of help. It is a sign to all that law, order and civility prevail.

But just as a uniform well worn can aid our cause, one poorly worn can detract from it. In a profession dedicated to upholding society's standards, we need to be mindful that the standards we ourselves keep will be closely watched. Needless to say, police officers who are untidy or unclean hint at an organisation that is lax in other ways. A carelessly worn uniform does not just look bad, it hurts our common cause.

The Dress Policy sets out the requirements for dress/uniform that I expect all members of the NSW Police Force to uphold. It is the product of thorough consultation and takes account of workplace safety requirements and cultural and religious affiliations.

I expect all staff to comply with the policy.

A handwritten signature in blue ink, appearing to read 'A P Scipione', is positioned above the printed name and title.

Policy Purpose

- 1.3 The purpose of the NSW Police Force Dress Policy is to:
- give clear direction and guidance to Commanders, Supervisors and all other personnel in relation to the minimum standards expected by the Commissioner of Police;

 - to promote a professional corporate image to the community.

Application of the Dress Policy

1.4 This document is authorised and issued by command of the New South Wales Commissioner of Police and constitutes the *New South Wales Police Force Dress Policy* and the orders for dress, uniform, grooming and appearance standards for all personnel of the NSW Police Force.

1.5 This policy applies to all personnel of the NSW Police Force and is the authority for the wearing of items of dress and embellishments, and standards of appearance.

1.6 This document defines orders of dress worn by uniformed NSW Police including working dress, service dress, ceremonial dress, specialist and protective forms of dress. This document supersedes all other references to dress in any other NSW Police Force publication.

1.7 Any breach of this policy may result in managerial or disciplinary action.

Variations to the Dress Policy

1.8 Variations to this Dress Policy and/or uniforms mentioned in this document are not to be made without prior written approval of the Commissioner of Police.

1.9 Any proposal to vary or introduce an item of dress or dress embellishments or to vary this Dress Policy is to be forwarded through the chain of command to Region Commanders (or equivalent), with supporting documentation, then to the Chairperson of the Uniform Board (UB) for consideration. The UB will consider as part of this process any identified cultural or religious requirements on a case-by-case basis. Region Commanders (or equivalent) are to endorse the submission with comments and recommendations.

1.10 Submissions are to detail the reasons for any change and must include a detailed justification. Where possible there is to be an indication of any costs or savings likely to result from the proposal and what the funding source will be if there will be costs incurred.

Layout of the Dress Policy Document

1.11 This document explains most orders of dress – working, service, ceremonial, court, and mess. It provides the basic information on dress and grooming policy required by all personnel. This document is the Commissioner's official policy for wearing the NSW Police Force uniform and embellishments.

Document Policy

1.13 It is the responsibility of all NSW Police Force personnel to abide by the orders set out in this document.

1.14 All items of the NSW Police Force uniform are to be maintained in good order and repair, thereby presenting the highest possible standards of appearance.

1.15 Commanders, Managers and supervisors are to ensure that all sworn police, whether uniformed or plain clothes, maintain a full complement of working and service dress at their work location for operational and ceremonial purposes.

1.16 Commanders, Managers and supervisors are to ensure compliance with the contents of this document by all staff of the NSW Police Force.

All Sworn and Uniformed Unsworn Personnel

Wearing of Uniform

Authority

2.1 The authority for sworn police officers of the NSW Police Force to wear a uniform when on duty is derived from Clause 58 of the NSW Police Regulation 2008.

2.2 Uniformed personnel of the NSW Police Force are to wear their uniform when on duty; however, Commanders may exempt personnel under their command from wearing a uniform as required.

2.3 Uniformed personnel are not to wear clothing, equipment or embellishments that have not been approved by the Commissioner of Police.

2.4 Uniformed personnel are not to wear clothing, equipment or embellishments that are not on correct issue to them or authorised for use in their location or for their duty type.

2.5 Uniformed personnel are not to wear items of uniform interstate or overseas without firstly obtaining written approval from the office of the Deputy Commissioner under which your Command or Business Unit is aligned, through their Commander.

2.6 Students enrolled in pre-employment education at the NSW Police Academy, are authorised to wear a uniform at the discretion of the Commander, Education and Training. Unless directed by the Commander, Education and Training, no item of the NSW Police Force uniform is to be worn outside the Academy grounds at any time.

Issuing of Uniforms

2.7 Commanders are to appoint a Uniform Issuing Officer who will be responsible for all uniform matters. Uniform Issuing Officers are NOT to order uniform items for personnel that hold no entitlement to the item eg: leather caps for NON-cyclists in Highway Patrol. Uniform Issuing Officers are to refer to the *Public Finance and Audit Act 1983* in relation to the requirement to exercise economy when endorsing uniform requisitions.

Dress Periods

2.8 The Dress Orders contained within this document are for all seasons. There are no seasonal dress periods.

Lost or Stolen Uniform

2.9 It is the responsibility of all personnel to ensure that all items of uniform and identification on issue to them are secured at all times. Uniforms are not left hanging in vehicles or lying around in locker or muster rooms. If any part of a uniform is lost or stolen it is to be reported immediately. The loss of police identification and/or badges, including cap badges, will be subject to a report to the Complaint Management Team for consideration and appropriate action. The replacement cost of police identification or badges including cap badges, is to be borne by the individual officer unless such loss can be shown, to the satisfaction of his/her commander, not to be the result of negligence on the part of the officer. Commanders are to investigate any reported loss of uniform.

Restrictions on Wearing Uniform

In these situations, students are to be under the direct supervision of sworn police and are not to wear arms and appointments.

2.25 Policing students are to comply with specific dress requirements as directed by the Principal, NSW Police Academy. Whilst in uniform they are to wear the light blue 'STUDENT' rank slides, the Police Student cap badge and a light blue capband, covering the chequered band, on the baseball cap and hat. Only NSW Police Force issued capbands are to be used. Capbands are to be secured to the baseball cap using 'bobbie pins' or similar. Uniform Alterations

2.26 Country commanders may approve local alterations to uniforms up to \$20 and a maximum adjustment of 3cm. Costs are to be met locally. Alterations exceeding this are to be treated as a poorly fitting uniform item and should be returned to the supplier and replaced. Personnel are not to alter their uniform for use as private garments or for any other purpose. Personnel are not to interfere in any way with safety helmets.

2.27 Personnel are not to add unauthorised patches (such as unit patches or flags), badges or accoutrements or embellishments to their uniform. Unauthorised Sticker(s) or similar item(s) are not to be attached to any uniform, appointments and/or equipment.

Uniforms, protective clothing and laundry allowances for unsworn personnel

2.29 Unsworn personnel who are required or authorised by the Commissioner or their delegate to wear uniform, protective clothing or other specialised clothing in connection with the performance of official duties are entitled to an allowance in accordance with the Crown Employees (NSW Police Force Administrative Officers and Temporary Employees).

2.30 In accordance with award provisions and this policy any unsworn personnel issued with corporate clothing which has been approved by the Commissioner and listed in the corporate clothing register for unsworn personnel will be entitled to the above allowance.

Appearance

General

2.31 The following guidelines are applicable to all personnel who are authorised to wear a NSW Police Force issued uniform and on-duty sworn police authorised to wear plain clothes.

2.32 Personnel are to ensure that they are correctly dressed and well groomed at all times whilst on duty. A smart appearance engenders self-confidence and promotes a positive public image. Uniforms are to be in good repair, neat, clean and well pressed. Shoes are to be in a clean and polished state at all times and kept in a serviceable condition.

2.33 Police performing full time undercover or surveillance duties may be exempted from these appearance guidelines by their Commander in circumstances deemed appropriate, however, if the officer is undertaking uniform duties, such as a user-pays shift, the officer is to adhere to the normal NSW Police Force standards for dress and appearance, including hair and shaving, as set out in this document.

Beards and Moustaches

2.34 Notwithstanding anything else in the Policy, A Commander/Supervisor may require a male employee (whether sworn or unsworn) to attend each shift shaven where, for work health and safety reasons, it is necessary to ensure, so far as is reasonably practicable, the health and safety of that employee.

2.35 If a male officer intends to grow a beard or a moustache they are to do so whilst on leave or otherwise absent from duty.

2.36 Moustaches are to be neatly trimmed and are not to extend below the lower line of the top lip or the corners of the mouth. The whisker length is to be not less than 8mm, not greater than 20mm. Novelty styles, such as handlebar or pencil are not permitted.

2.37 Beards are to be full-faced and neatly trimmed with the whisker length not less than 8mm, not greater than 20mm and tapered to blend with the hairstyle. The beard is to be trimmed so that it meets the moustache at the corner of the mouth. The neck is to be clean shaven with the beard trimmed to follow the underside of the jaw line.

2.38 Other facial hair, such as goatees or extended sideburns, is not permitted at any time, whether in uniform or performing duties in plain clothes

Badge/Ribbon/Pin – National Police Remembrance Day or Approved Commemorative Badge/Ribbon/Pin

2.39 During the week preceding National Police Remembrance Day, at the NSW Police Legacy Blue Ribbon Dinner, and on the day of a police funeral, officers may wear a Remembrance Day Ribbon or metal Remembrance Day Pin on their uniform or Mess Dress. The metal pin is the only charity badge to be worn in this manner due to its significance to the NSW Police Force. The ribbon or metal pin is not to be worn on any part of the uniform at any other time of the year.

The ribbon is to be positioned directly behind the nameplate and centrally aligned. The metal pin is to be worn 5mm above the nameplate or 5mm above the highest citation/qualification. The ribbon or pin is not worn on LBV/ILAV.

See images below for positioning of ribbon or pin.

2.40 Other approved commemorative badges/ribbons may be worn, as directed, on uniform or mess dress only upon written approval of the Commissioner. The badge/ribbon/pin is to be worn in the same manner described in paragraph 2.39.

Cosmetics

2.41 Cosmetics are to be used conservatively. False eyelashes, heavy or brightly coloured eyeliner or eye shadow and excessive facial make-up are not permitted.

Deportment

2.42 Chewing gum, slouching, sauntering, placing hands in pockets, smoking in direct view of the public, walking hand in hand and any similar unprofessional behaviour detracts from a disciplined appearance and is unacceptable for personnel in uniform. At all times, individuals wearing uniform are to be mindful that they are representing the NSW Police Force. Accordingly, officer's appearance, bearing and behaviour must be of the highest possible standard.

Fingernails

2.43 Fingernails are to be kept clean and neatly trimmed at all times. Nails are not to extend beyond the tip of the finger/thumb. False or veneer fingernails are not permitted at any time whilst on duty.

2.44 Personnel may wear nail varnish which is colourless or natural (clear or opaque is permitted). No other colours are to be worn. The same varnish is to be applied to all nails on both hands. Nail polish that becomes worn or chipped is to be removed or replaced.

Hairstyles - General

2.45 Whilst in uniform, personnel are to ensure their hair is neatly groomed at all times. Extreme hairstyles, including mohawks, step-cuts, radical, unnatural (eg: pink, purple, green, etc) or combination colours are not permitted.

2.46 Hairstyles must not interfere with the wearing of any form of service headdress or protective equipment.

Hair - Female Personnel

2.47 Hair on the head is to be groomed so that it does not fall below the eyebrows.

2.48 No hair is to show forward on the forehead when a hat is worn.

2.49 Long hair is to be secured in a nest bun at the back of the head below the hat (see Figure 2) or arranged so that the hair is secured up under the hat. When worn, it should not be able to be grabbed easily and pulled.

2.50 Ponytails and free-swinging plaits are not permitted. If the hair is braided in plaits, it is to be secured to the head.

2.51 Shorter hairstyles are acceptable as long as the hair at the back of the head does not extend past the bottom edge of the shirt collar.

2.52 Hair accessories such as combs, clips, hairnets and 'scrunchies' may be used to secure the hair in a nest bun. They are to be dark blue or black in colour, except hairnets which are to be a similar colour to the hair. All of these items are to be of such a design so as not to present a risk to the officer's safety.

2.53 Subtle colouring of the hair is permitted; however, it is to be of a natural colour and not extreme. A combination of colours is not permitted.

Hair - Male Personnel

2.54 Hair on the head of male personnel is to be:

- a. tapered at the back, sides and above the ears blending with the hairstyle (see Figure 2);
- b. worn short enough so that when the hair is groomed and headdress is removed, no hair touches the ears or collar or extends below the top of the eyebrows;
- c. cut and groomed so that the bulk of the hair on top of the head is not greater than 50mm with the bulk decreasing gradually from the top and blending with the taper trimmed sides and back. There is to be no visible line or cut at the point where the bulk of the hair is blended with the sides and back. (Bulk is defined as the distance that the mass of hair protrudes from the scalp when groomed as distinct from the length of hair);
- d. styled in a manner which does not interfere with the wearing of any police headdress or protective equipment; and
- e. the neck, below and to the sides of the taper, is to be kept shaved.

2.55 A clean-shaven head and single length crew-cut styles are permitted.

2.56 Sideburns are:

- a. not to extend lower than the centre of the ear canal;
- b. to be squared-off in a horizontal line at the bottom edge;
- c. to be evenly taper trimmed to blend with the hairstyle;
- d. to be an even width, not greater than 4cm; and
- e. not to extend onto the cheek area or be shaped to do so.

Figure 2

Ironing of Uniform

2.57 All uniforms are to be ironed free of wrinkles prior to the commencement of each shift. Pleats at the rear of the shirt are to be ironed flat.

2.58 Sleeves are to be ironed with a single crease running down the sleeve from the epaulette/rank slide centrally through the patch to the cuff. It is not a requirement to have a crease through the patch (see Figure 3).

1.2 Unsworn personnel while on duty and volunteers in their role with NSW Police Force are expected to take pride in their presentation and at all times be neat, clean and tidy. Generally, non-uniformed unsworn personnel will be expected to maintain a conservative appearance consistent with community expectations, and where appropriate cultural and religious standards.

1.3 In some circumstances the Commissioner may approve the issue of corporate clothing to certain classifications of duty performed by non-uniformed unsworn personnel for the purposes such as:

- a. promoting a professional and positive corporate image to the community;
- b. promoting a safe workplace by providing protective clothing to employees who may be exposed to certain risks associated with the duties performed and/or their work environment;
- c. distinguishing between particular unsworn duties; and
